ADDITIONAL SERVICES NOT INCLUDED IN PACKAGE FEES

- **Pre-Cycle Testing** – SIS (uterine cavity evaluation) is \$700 and may be billable to your insurance company. Trial transfer is \$350 and is NOT billable to insurance.
- **Monitoring Ultrasounds** – Please note this cycle includes up to 4 ultrasounds. Additional ultrasounds will be \$250 each.
- **Medications** – FET cycle medications are specific to each patient. The cost depends on your individualized treatment plan and estimates can range from \$1,500-\$3,000. Please ask us for information on medication discount programs.
- **Anesthesia** – Anesthesia is typically not required for transfer, however, if you do require anesthesia the fees are \$650 and are paid directly to the anesthesiologist. Please contact Pam at Dr. Charles Chase’s office (800) 242-1131 ext.4129 to make payment arrangements prior to your retrieval.
- **Obstetrical Service** – Pregnancy test(s) and obstetrical ultrasounds are not covered under this package. The obstetrical ultrasound may be covered under your insurance benefits.
- **Cancellation Policy** – In the event of cycle cancellation, a \$500 cycle coordination fee will be assessed, as well as \$250 per ultrasound performed, and the fees for any applicable lab work.

This cycle DOES NOT include subsequent frozen embryo transfer.

The above prices are estimates of cost and are subject to change without notice.
