ADDITIONAL SERVICES NOT INCLUDED IN PACKAGE FEES

- **Pre-Cycle Testing** – HSG/SIS is \$700 which may be billable to your insurance company.
- **Preimplantation Genetic Testing** – Physician recommendation is required.
 - IVF Lab fee for the PGT Biopsy is \$2,000 for the first 8 embryos biopsied. Additional fee of \$250 per embryo, for each additional embryo biopsied greater than 8 embryos.
 - PGT-A/PGT-M – Molecular Biology lab fees vary by procedure and fees will be billed by testing laboratory.
 - The IVF Center Physician Fee of \$1,500 for 2-Step cycle.
- **Anesthesia** – Anesthesia fees are \$650 for the retrieval and are paid directly to the anesthesiologist. Please contact Pam at Dr. Charles Chase's office (800) 242-1131 ext. 4129 to make payment arrangements prior to your retrieval.
- **Medications** – IVF medications are specific to each patient. The cost depends on your individualized treatment plan and estimates can range from \$3,000-\$7,000. Please ask us for information on medication discount programs.
- **Cryopreservation & Storage** – Your first year of storage is included. Storage fees are \$800.00 per year and payable to The IVF Laboratory.
- **Obstetrical Services** – Pregnancy tests & pregnancy ultrasounds are not covered as part of this package.
- **2 Step Cycle** – A fee of \$1,500 applies any time there is a cycle stop and restart.

This cycle DOES NOT include subsequent frozen embryo transfer.

The above prices are estimates of cost and are subject to change without notice.
