Board Certified in Reproductive Endocrinology and Infertility

RECIPROCAL IVF CYCLE

Patient:	_____	Cycle Type:	_____
Partner:	_____	Date:	_____

PACKAGE SERVICES

IVF CENTER - CLINIC / PHYSICIAN	IVF LABORATORY
• Monitoring ultrasounds and trial transfer • Transvaginal oocyte (egg) retrieval • Ultrasound guidance for egg retrieval • Embryo transfer (1) • Ultrasound guidance for embryo transfer	• Embryology - fertilization and embryo culture • Preparation of embryo(s) for transfer • Endocrinology laboratory services • Cryopreservation, when applicable • OR / Facility fee • First year of embryo storage included
CLINIC / PHYSICIAN FEE: \$8,500	LABORATORY FEE: \$6,000

RECIPROCAL IVF PACKAGE TOTAL: \$14,500

PAYMENT TERMS: Cycle fees are due at the start of birth control pills / cycle start. A 3% transaction fee applies to credit-card payments. To avoid this fee, pay by debit card or cash.

ADDITIONAL SERVICES / COSTS NOT INCLUDED IN PACKAGE FEES

Pre-Cycle Testing	HSG/SIS is \$700 and may be billable to insurance.
Genetic Testing (PGT)	If performed: IVF laboratory biopsy fee is \$2,000 for the first 8 embryos biopsied, plus \$250 for each additional embryo over 8. Genetic testing and shipping are billed separately by the testing laboratory (Progenesis/Igenomix), approximately \$200 per embryo plus shipping. PGT requires embryo freezing and a deferred transfer; the \$1,500 Frozen / Deferred Transfer Add-On applies.
Anesthesia	\$650, paid separately to the anesthesia provider by or before retrieval (check or money order).
Medications	IVF/FET medications are not included and vary by individualized treatment plan (generally \$3,000-\$5,000 for stimulation; recipient medications vary).
Cryopreservation & Storage	The first year of embryo storage is included. Storage is \$800 per year thereafter, payable through Embryo Options.
Obstetrical Services	Pregnancy testing and obstetrical ultrasounds are not included in this package.
Frozen / Deferred Transfer Add-On	Applies when embryos are frozen and the recipient transfer occurs in a later cycle rather than as part of the initial IVF cycle (\$1500.00). Includes the additional freezing/thaw-related services and additional monitoring associated with the stop/restart cycle.

THIS PACKAGE COVERS ONE RECIPROCAL IVF CYCLE, INCLUDING OOCYTE RETRIEVAL FROM ONE PARTNER AND ONE EMBRYO TRANSFER TO THE RECIPIENT PARTNER. Subsequent frozen embryo transfer cycles are not included.
